**"Enjoyed it even more than last year [which was great]."**

. "The whole thing was GREAT!!! Thank you very much!!!! I also appreciated the handouts in the bags. Anything about things to do in Cleveland would be great. I didn't know about the walking tours but now that I saw the flyer in the bag I know! This kind of helpful information is always appreciated."

**"Great event! Continue to hold!"      "Can't wait until next year!"**
